SIEBA CONFERENCE 25-26 JUNE 2024

Speaker Bio:

**International Director,
Whangārei High School**

Amelia embarked on her journey into international education in 2018, initially serving as the International Student Manager at Whangārei Girls' High School, then moving to International Director role late 2019.

Drawing from her background in social work, Amelia approaches her work with empathy, understanding, and a commitment to holistic student development. She believes in creating and fostering environments where students from diverse backgrounds feel supported, empowered, and able to thrive both academically and personally.

She looks forward to participating in the ongoing conversation about best practices in international education, and collaborating with everyone to ensure we create positive contributions to the experience of our international students.
