## Global Threads Local Ties

SIEBA CONFERENCE 25-26 JUNE 2024

### Speaker Bio:

My name is Julia McGahan and I am the Director of International Students at Westlake Boys High School.

I am married, I have 3 married adult sons and 5 grandchildren. In my free time I mostly travel to visit my children and grandchildren who all live overseas.

2024 is my 17th year working in the department. I really enjoy my job, the pastoral care of the young men we enroll at our school is paramount to me. I want them to know we care about them and are here to support them as they navigate their way in a new country, new home, new language.

I started in the department as the office manager and had the autonomy to introduce new systems and processes. The support I received from colleagues at other schools who had industry experience was invaluable.
