## Global Threads Local Ties

SIEBA CONFERENCE 25-26 JUNE 2024

### Speaker Bio:

Stefí arrived in the city as an international student over two decades ago, and never looked back. She was drawn by its exceptional work-life balance and welcoming atmosphere.

As partnership manager of Christchurch Educated for over eight years, Stefí has been leading the charge to advance Canterbury's reputation as a premier destination for international education. In her role, she brings together providers from all sectors delivering a community of practice like no other. Her deep passion for the industry is clear through her commitment to supporting schools and stakeholders as they navigate the challenges of recovery in the aftermath of Covid.

Stefí is dedicated to enhancing the international student experience and driving progress in the education sector. Her work and ambition make her a pivotal figure in Ōtautahi Christchurch's journey towards educational excellence on the global stage.

**Regional Manager  
International Education**

Topic -  
Regional Collaboration and  
International Education
