**Client Executive -  
International Students -  
Student Safe**

**Topic:** From Coverage to Care -  
Safeguarding the Wellbeing of  
Your International Students

Dominique has extensive experience across various industries and began her insurance career in 2009, initially focusing on fire and general insurance. She quickly discovered a passion for people risk and has been involved with the Studentsafe Programme since 2014, which she now manages from a broker perspective.

Dominique is dedicated to supporting diverse sectors through advocacy, education, and day-to-day client support. She thrives on building trusted relationships and consistently delivering a high level of service to her clients.
