Leanne Reynolds is the Treasurer of the School Business Managers' Association and the Business Manager for both Rototuna Junior High School and Rototuna Senior High School governed by one board Rototuna High Schools.

Leanne has been working in the education sector for more than 30 years with the first 24 years as an auditor of schools (among other audits) with KPMG and Deloitte.

Her experiences on "both sides of the fence" has built skills and understanding in the international arena with Leanne being key in the process of gaining the signatory to the Code of Practice for both schools and then involved with the set up through to the attestations of the schools before dedicated International Student Co-Ordinator's were employed.

Growing the international student cohort at Rototuna High Schools, Leanne is the go-to person to provide the full range of financial support from the strategic direction to the annual budget process through to actual transacting and monitoring of the international programmes.
