**Master Trainer & Professional
Development Coach - PROFILE
COACHING**

Topic: Leading with Insight - How
Psychometric Profiling Transforms
Personal and Professional Growth in
Education

Marina Shearer is a leadership and development expert with over 30 years' experience empowering individuals and organisations to thrive. As a Master Trainer, Professional Development Coach and behavioural profiling specialist, she equips leaders and teams with the insights, skills, and confidence to grow, collaborate, and perform at their best.

Driven by a passion for professional development, Marina combines deep expertise in psychometric profiling, leadership coaching, and organisational development to create high-impact learning experiences that transform both personal and professional growth. She has worked with a wide range of organisations to strengthen leadership capability, enhance team dynamics, and foster cultures of insight and excellence.

Beyond her professional achievements, Marina brings the same dedication and commitment to her family life, exemplifying the balance, resilience, and purpose she inspires in others.
