

Myles Noble

**Head of Insurer Relationships,
Complex Claims and Placements
at Uni-Care & Gallagher Insurance**

Topic: Brace for Impact: Critical Incident Management

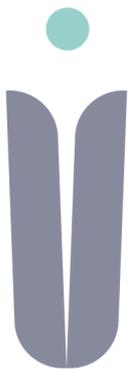

Myles has worked hard to cement claims as being a point of difference for Gallagher and its clients. A truly hands on leader, Myles is regularly at the forefront of handling major losses across the country as well as providing technical claims advice internally and externally on a daily basis.

Myles was previously the Head of Claims and EQ response for Gallagher and has been with the company since 2002.

Aside from his Claims role, Myles has responsibility for Gallagher's Insurer Relationships, Difficult Placements, Internal and External Complaints, Uni-Care Student Travel and Professional Indemnity matters.

Myles was a highly visible contributor to the industry's Canterbury and Kaikoura Earthquake recovery efforts and more recently the 2023 Auckland Floods and Cyclone Gabrielle. Myles is a well-known public speaker both in New Zealand and overseas on our industry's Earthquake response, Disaster Recovery Planning, the New Zealand Insurance Market and Insurance Claims in general.

Myles is a past-President of the New Zealand Insurance Law Association.
