## Global Threads Local Ties

SIEBA CONFERENCE 25-26 JUNE 2024

### Speaker Bio:

Libby Giles is Director of Education for the Centres of Asia-Pacific Excellence and Board Chair of the New Zealand Centre for Global Studies.

She is a specialist global citizenship education practitioner and advocate, with considerable experience in the field, working in schools and in collaboration with local and international organisations. Libby is passionate about global citizenship education as a conceptual framework through which to deliver transformative education fit for a complex world. The CAPEs education team is in a unique position to implement such a framework. Libby seeks to empower and equip learners to understand their identity, to think critically, act responsibly, and live well.
