Green Park School**

Topic -
**Best Practice Panel - Primary
& Intermediate Schools**

I am the International Director at Greenpark School Years 1 to 6.

Greenpark School has been hosting students from South East Asia for two decades, fostering meaningful cross-cultural exchanges. Biennial visits to our Sister School in Seoul, South Korea provide valuable opportunities for our senior students to immerse themselves in a different cultural context and deepen their understanding of global perspectives.

I am dedicated to providing an inclusive program and creating lifelong experiences that undoubtedly contribute to a more interconnected and empathetic global community.
