SIEBA CONFERENCE 25-26 JUNE 2024

Speaker Bio:

Pip Newick is a professional learning and development facilitator with Te Whai Toi Tangata, the Institute of Professional Learning, and a member of the University of Waikato's CAPEs education team.

A primary trained teacher, she is passionate about learning and has developed a special interest in global citizenship education as a unique conceptual framework for supporting education that supports learners to understand who they are and where they stand - to think critically, act responsibly, and live well.
